I'm sorry

*Most relationships fail
because
you're too busy pointing out
each other's mistakes and
not enough time
enjoying each other's company.*

You know the importance of life on the edge of a cliff. Then, the reality of what you are losing flashes before your eyes and there is so much you wanted to say but didn't get the chance.

I want to say I'm sorry. I never meant to hurt you. I hope that our love and friendship is enough to get us back to where we were before all this.
